

In order to activate Mobilna banka GO!, you first need to submit a request. We recommend that you submit the request in your Online bank because the process is quicker. However, you can also submit your activation request at any UniCredit branch if you wish to do so.

To activate the application Mobilna banka GO!, please follow the instructions below. The instructions include images that will aid you in the activation process.

#### **Activation process:**

**Step 1:** Please choose the tab **Banking – Products and services – Mobilna banka GO!** in your Online bank. (*Step 1a*). A form will open. Please check whether your telephone number is correct. Sign and submit the form (*Step 1b*).

**Step 2:** After you have submitted the request, you will receive an SMS containing a link to download and install the application, as well as an SMS containing your activation code. The link in the SMS will redirect you to either the Google Play Store (on Android devices) or the App Store (for iOS devices).

**Step 3:** Following the successful download and installation of the application, you will need to activate the application. You can do this by clicking on “Activate my account” (*Step 3a*). In the “Internet banking user ID”<sup>1</sup> field, please enter your username, and in the “Setup code” field please enter your 16 digit activation code, which was sent to you via SMS<sup>2</sup> (*Step 3b*).

**Step 4:** Choose a 6 to 8 digit PIN for accessing the application. Your PIN should only be known to you. Here you can also choose the option of entering and signing orders using a fingerprint.

When you have completed Step 4, you have completed the activation process of Mobilna banka GO! If you entered the correct data, you can now access the application.

We are here to provide any additional information via the free phone number at 080 88 00. Our advisers will happily answer all your questions and help you with any issues you may be having.

---

<sup>1</sup> Your username is identical to the username you are using for accessing the Online bank. If you are not using Online bank, then you chose your username on the conclusion of the contract for activating Mobilna banka GO! at your branch.

<sup>2</sup> On Android OS phones the application will automatically import the activation code that you received via SMS. On iOS phones, you will need to enter it yourself.
