| | | | | |
|---------------|---|-----------------------------------|--|-------------|
| | <p>The bank charges the costs of foreign banks to the payer upon receipt of the notice by foreign banks in the amount of the costs.</p> <p>- SHA option means that the payer pays the charges of the payer's bank, while the costs of the recipient's bank and any charges of intermediary banks are paid by the recipient of the payment. Any costs of intermediary banks are deducted from the amount of the payment.</p> <p>- BEN option means that the recipient of the payment pays the charges of the payer's bank, any intermediary banks and the recipient's bank. Costs of the payer's bank and any costs of intermediary banks are deducted from the amount of the payment.</p> | | | |
| | In the event that the payer does not indicate the party responsible for settling the payment costs in the payment order, the bank uses the SHA option to charge the commission fee. | | | |
| | In the event of a refund of a processed and announced payment order abroad, upon the request of the client, the bank is entitled to a compensation in the amount of the transfer fee, which means that the paid commission is not refunded. | | | |
| I.C.5. | Inflows | | | |
| I.C.5.1. | International inflow | | | without fee |
| I.C.5.2. | Domestic/cross-border inflow | | | without fee |
| I.C.6. | Queries of payment transactions | | | |
| I.C.6.1. | Cost of query | | | 17,50 EUR |
| I.C.6.2. | The cost of other bank's query | At the applicable other bank rate | | |
| | The bank will subsequently charge the payer's current account in the amount of the commission of the other bank for any costs of the query of other banks that would be incurred during the query. | | | |
| I.C.7. | Non-cash conversions (buying and selling rates from the exchange rate list for the population are used) | | | without fee |
| I.C.8. | Foreign payment transactions, inflows for recipients at other banks in the country | | | |
| I.C.8.1. | Other payment transactions for consumers | by order | | 0,15 EUR |
| | Payments represent an inflow of funds from abroad for a consumer in Slovenia, if the instruction of a foreign bank are such that the intermediary payment service provider transfers the funds to another specific Slovenian bank - the recipient's payment service provider | | | |
